Re: Account of Russell James Marr

and N.W. 23-28-8 W. 4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $239.10 were advanced to Russell James Marr on the security of the above mentioned land. A payment of $73.45 was received in 1916, and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$164.65	$320.44	$485.09

Patent was issued in the name of Russell James Marr for the S.E. 28-28-8 W. 4 on the 2nd of October 1914. The S.W. 28-28-8 W. 4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 15th of November 1926 and the land is still unalienated Crown land held in the right of the Province. Patent was issued in the name of a Mr. John Berry for the N.W. 23-28-8 W. 4 and the land later became subject to the indebtedness of Russell J. Marr when he acquired title to same.

In reply to our questionnaire of the 16th of May 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

> "The SW¼ 28 is unalienated crown land while title to the SE¼ is presently vested in this department. This land is occupied under a cultivation permit and is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale."

The N.W. 23-28-8 W. 4 is also land of very low value being assessed for only $240.00. Taxes have been allowed to accumulate for some years until there is now $354.24 in arrears outstanding. The municipality to date has not bothered to acquire title to this quarter section.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

W.J. Taylor.

[illegible]

7th July, [illegible]

DEPUTY MINISTER
Interior Department

[illegible] Cory, Esq., C.M.G.,
Deputy Minister,
Department of Interior,
Ottawa, Ont.

Dear Sir :-

[illegible]

For several weeks past I have been discussing with the Department the possibility of the Canadian Northern purchasing the above quarter-section for townsite purposes.

The Canadian Northern Railway Company secured the S.E.¼ of 16 in this Township for townsite purposes three years ago, but since that time the location line has been revised. Our District Engineer reports that the portion of the S.W.¼ of 16 where our revised line crosses was a low, alkaline flat, totally unfit for townsite or side-track purposes: when he personally examined the ground, he therefore recommended that we should purchase the said N.W.¼ of 16 and place the townsite on that quarter-section. However, we had paid the owner of S.W.¼ of 16 the full purchase price for his quarter section and obtained patent to same.

It was suggested at the Department that as we [illegible] the N.W.¼ of 16 instead of the said S.W.¼ of 16 that we endeavor to have the Homesteader who is located on the said N.W.¼ of 16 transfer his entry to the said S.E.¼ of 16. One of our agents then interviewed the Homesteader, Mr. Scott, who offered to pay him or whom we [illegible] give him the said S.E.¼ of 16 in exchange for the N.W.¼ of 16. However,

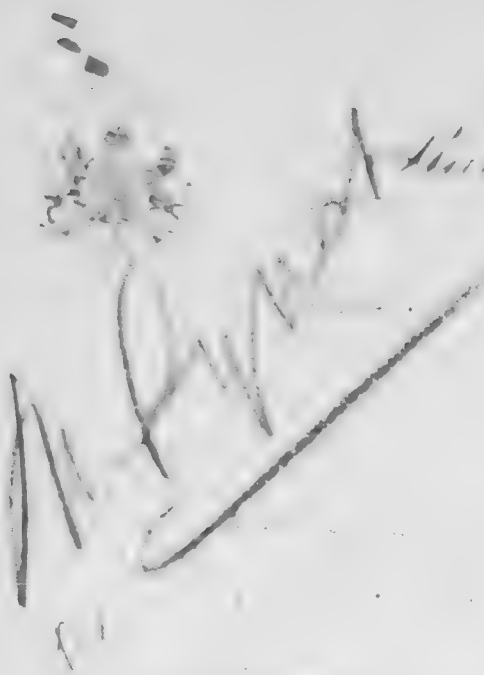

Mr. [illegible] was not willing to make this exchange because, as he said, the S.W.¼ of 16 is entirely unsuited for farming purposes.

In view of the foregoing circumstances, I trust that you can see your way clear to approving of the Company's purchase of the said N. ½ of 10.

Faithfully yours,

Harvey Fisher
